### Advertising Copy / Reproduction Guidelines

To avoid incurring any additional costs, the above prices assume print-ready copy is provided, on or before the copy deadline.

Files should be submitted as **hi-res PDF, sized as above**, ideally with flattened layers and transparency and fonts outlined.

Line work and illustrations should be provided at 1200dpi, with 300dpi photographs and graphics (JPEG/TIFF) for best results.

Alternative file formats can be accepted - please enquire for details and prices. For your peace of mind, a **free PDF proof** will be provided prior to print.

A full artwork service is offered to advertisers at a discounted rate. Please contact Bollington Printshop 01625 574828.
